Quality of the lecturers	<b>5.00</b>	
The program and organization	<b>4.98</b>	Partly unstructured program
A general quality of the seminar	<b>4.99</b>	
Special impressions, comments, etc.		<ul style="list-style-type: none"> <li>- Seminars like this one are usually very expensive for us and therefore not available. The RESTCA team gave us knowledge as a gift – thank you;</li> <li>- Very interesting and modern/up to date themes;</li> <li>- It would be good to have such events more frequently;</li> <li>- You are excellent;</li> <li>- Very interesting;</li> <li>- Excellent, it looked like we were at one of the European universities;</li> <li>- A little bit mixed themes (techniques and pollution). Maybe more precisely defined themes would be better;</li> <li>- Thank you again. Perfect organization. You motivate community around and transmit positive energy. You gave us lots of new ideas for work.</li> <li>- More breaks.</li> </ul>

MARKS: 5 – excellent, 4 – very good, 3 – satisfactory, 2 – unsatisfactory, 1 - bad
